

PUBLIC NOTICE

PERMIT APPLICATION NUMBER: NRS 07.378

APPLICANT: State of Tennessee
Department of Transportation
Environmental Division
Suite 900, J. K. Polk Bldg.
505 Deaderick Street
Nashville, TN 37243-0334

LOCATION: Vann Drive at I-40
Madison County (lat35.6412/long88.8765)

USGS TOPOGRAPHIC QUADRANGLE: Jackson-North, TN (438-NE), Adair, TN (438-NW)

WATERSHED DESCRIPTION: The proposed impacts would an unnamed tributary to South Fork Forked Deer Creek River. The stream flows through a narrow channel ~12 - 24 inches wide confined in an apparently previously altered roadside drainage. The stream varies in depth 0-1 inch flowing over a sand substrate and has a partial canopy of young willows and sycamores. The land use in the area is urban.

PROJECT DESCRIPTION: The project would involve the construction of a Slip Ramp requiring alterations to 213 feet of an unnamed tributary involving 88 ft. of 2 @ 8ft. X 6 ft. box culvert with 50 ft. of riprap at the inlet and 75 ft. of riprap at the outlet. As mitigation for 56ft. (75X0.75) of riprap, TDOT proposes payment of \$11,200.00 to the In-Lieu Fee Stream Mitigation Program.

PERMIT COORDINATOR: [Brian Canada](#)

No decision has been made whether to issue or deny this permit. The purpose of this notice is to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. Persons wishing to comment on the proposal are invited to submit written comments to the department. Written comments must be received within **thirty days of the date that this notice is posted**. Comments will become part of the record and will be considered in the final decision. The applicant's name and permit number should be referenced.

The permit application, supporting documentation including detailed plans and maps, and related comments are available for review and/or copying at the department's natural resources section.

Interested persons may also request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing.

The permit application, supporting documentation including detailed plans and maps, and related comments are available at the department's address for review and/or copying. The department's address is:

TENNESSEE DEPARTMENT OF ENVIRONMENT AND CONSERVATION

Division of Water Pollution Control
7th Floor, L&C Annex
401 Church Street
Nashville, Tennessee 37243

In deciding whether to issue or deny a permit, the department will consider all comments on record and the requirements of applicable federal and state laws.
